DETAILED ACTION

Allowable Subject Matter

1. Claims 1-22 are allowed.
2. The following is an examiner's statement of reasons for allowance: none of the cited references teaches or fairly suggests (1) a retroreflective article having the structure specified in claims 1 and (2) a method of making a pavement marking having the steps specified in claim 22. Claims 2-21 are dependent claims and thus are allowable for at least the same reason.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication should be directed to James Phan at telephone number (703) 308-4810.
